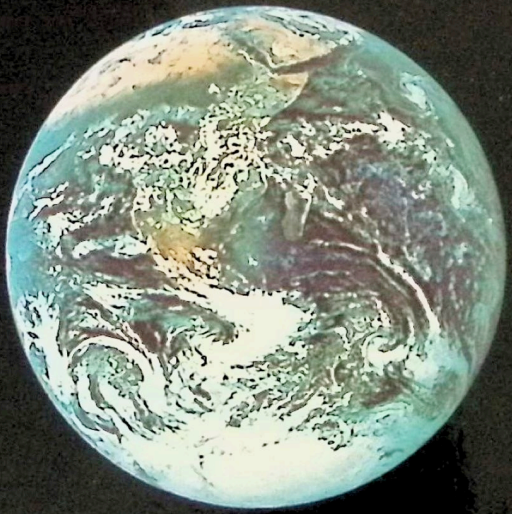
WHOLE
EARTH
INSTITUTE

27 GATE FIVE ROAD

SAUSALITO, CA 94965



The NASA photo of the Earth was taken by the Apollo 17 astronauts on their return from America's last voyage to the Moon in early December, 1972. The Red Sea and Africa are clearly visible at the top of the image, Antarctica at the bottom.

This postcard is available from Whole Earth Review, P.O. Box 38, Sausalito, CA 94966 for $6.00 per dozen, plus $2.00 per order postage and handling. Please write for subscription information.
